BARBARA J. DIORIO, D.M.D.

DAVID E. SWINTEK, D.M.D.

BRENT GUENTHNER, D.M.D.

FAMILY DENTISTRY

Initial Visit Payment

We will not under any circumstance bill new patients. Patients must bring one of the following on their initial appointment:

1. Cash
2. Charge Card
3. Check
4. A completed & signed insurance form
5. A valid insurance card

To all Met Life patients, we have no way of “looking up” a patient’s insurance information. Met life stopped providing insurance cards to their customers as a cost cutting measure. They are now incorrectly advising their customers that “The Doctor’s Office” can look this information up. We can not and will not. The patient must obtain this information either thru work, online, or by phone to have something mailed to them.

In repetition, for insurance submission on the initial visit we need a completed insurance form, or a valid insurance benefit card.
